

NEEDLE IN HAND

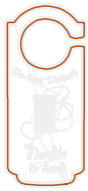

STEP	DESCRIPTION
1	Stitch a die line on the stabilizer (Color 1).
2	Attach material to stabilizer using either tape or temporary adhesive.
3	Stitch the tack down (Color 2).
4	Remove hoop. Carefully cut around the perimeter using applique scissors. Cut as close as possible being careful not to cut into the stitches.
5	Replace hoop. Stitch the remaining details (Colors 3-7).
6	Remove hoop. Tape or apply backing material with temporary adhesive to the underside of the hoop.
7	Replace hoop. Stitch the back tack down (Color 8).
8	Remove hoop and cut around the back tack down.
9	Replace hoop and stitch the final satin stitch (Color 9).
